**Principal's Report**  
Parent Teacher Interviews  
 Parent Teacher Interviews are coming up on Tuesday, 27<sup>th</sup> March and I would like to encourage all parents to take this opportunity to talk to teachers and discuss student progress. These meetings are important as this is one way for parents/guardians to get a clear picture of what is taught in each class, how work is assessed, what is coming up in the next term and how we can all work together to make sure our students are happy and engaged with school. Booking information will sent home early next week along with Interim reports.

School Council Representatives  
 After all ballots and voting have taken place our School Council representatives are:  
 Parents – Jacqui Verley, Andre Thompson and Carl Chamberlain  
 DET (Staff) – Merryn Rees  
 Community Members will be decided at the next Council Meeting.

Congratulations to all those people who nominated for positions.

Triathlon

Well done to all our competitors in the triathlon last Thursday. Thanks must go to Brooke Chamberlain, Luke Newell and Adrian Grogan and their team of helpers who put hours into organising and setting up this event. There were just over 200 competitors across many schools in our network. Congratulations to Meg Last and Cobie Maxted who were individual champions and the Intermediate Male Team for being team champions.

Swimming

Thanks to Brooke Chamberlain and Hayden Rowley for escorting our competitors to Bendigo last Friday for the inter-school swimming. Congratulations to all our participants – they did a great job and were supported by the many parents and family members who attended.

Schools' Privacy Policy

The Department have released an updated Privacy Policy which deals with the passing of student information to staff and outside agencies. Please log onto the school website and go to the link under the 'policies' section for a full review of the policy.

## School Photos

Thank you to all for your co-operation and response regarding this process. All correspondence now needs to go through Academy Photography – ph. 1800 816 224

A whole of group Year 6 photo was also taken - please contact Academy Photography if you would like to purchase this in addition to the class photo.

We will advertise when ordered photos arrive at school. These will go home with students. Those that decided not to order will get a second opportunity to order if they wish.

## Computers / Netbooks vs iPads

The school has embraced a BYOD policy that currently introduces iPads at Foundation level, Netbooks at Year 5 and iPads again at Year 7. This dual platform provision has come about from discussion with ex-students studying at tertiary level, current workplace practices and the variety of skills and resources required and available using these. Over the next few weeks we will highlight how both these devices are used in specific classes and classrooms.

## Parents' Club News

The next Parents' Club meeting will be our AGM. Please mark on your calendar, Wednesday, 14<sup>th</sup> of March, 9.30am. Please meet at the office. Everyone is welcome.

Apologies to Varlea on 0409 189 591.

The Parents' Club Constitution is being updated. If you'd like to see a copy of it before it is ratified at the AGM on the 14<sup>th</sup> of March please contact Varlea on 0409 189 591.

## MUSIC NEWS – LESSONS STILL AVAILABLE

Music lessons are available with Thomas Smith for drums, guitar, bass and vocals. Lessons are held during the school day every Wednesday. The cost is \$70 for 8 weeks of lessons. Please contact the school if interested.

Peter Nickless Music Co-ordinator

## Head Lice

We have a case of head lice reported so it's important to check your child's hair regularly even when you don't think they have head lice.

Using conditioner is a cheap and effective way to help find head lice in your child's hair. Conditioner doesn't kill head lice, but it stuns them for about 20 minutes, so they cannot move around or hang onto the hair. This method gives you time to comb through the hair with a lice comb and determine if your child has head lice and begin a treatment method as soon as possible if they are detected.

## Well-being News

### Immunisation

Immunisation forms for all Year 7 and 10 students were collected last Friday. If you have not returned your form please do so immediately. The date in April has changed to Wednesday, 18<sup>th</sup> of April from Thursday, 19<sup>th</sup> April. This is week 1 of Term 2. All forms still need to be signed and returned even if immunisation is not required.

### Wizard of Oz.

Thank you to everyone (116 students in total) who indicated that they would like the experience of attending the "Wizard of Oz" on Tuesday, 24<sup>th</sup> July 2018 at the Regent Theatre in Melbourne. Excursion forms will go home next week to all those students. The \$60 ticket fee is required along with the signed permission form. We will be continuing to fund raise for the costs of the buses (3 buses so over \$3000.00) throughout the rest of Term 1 and all of Term 2. Our first pancake day raised \$400 so we will have another pancake day in the last week of term on Wednesday, 28<sup>th</sup> March for all in the school. Order forms will go out early next week.

**Generation Next student Online Conference.**

Last Friday, 9<sup>th</sup> March our students were able to listen to the live broadcast of the **student** Next Generation Conference held in Sydney. R6 was hooked online so that student could listen to a variety of speakers. The topics on Friday, 9<sup>th</sup> were, - healthy sleep, choosing not to hate, rewiring your brain for good mental health, and ‘Who’s in charge? You or your Smart Phone? Some students in Years 8-12 sat in and listened along with their teachers.

This week (Friday, 16<sup>th</sup> March) our topics are; sexting, relationships and consent, relaxation techniques, practical stress management strategies and is social media good for you. It is anticipated that students in Years 8-12 would have the opportunity to attend the sessions in R6 along with teacher supervision. More information in regards to the session content and year levels attending will be sent home via Konnective as soon as it is received from the Gen Next Organiser.

More information can be assessed from the Generation Next website, however, make sure you are looking at the student conference information not the teacher based conferences as the content whilst similar is certainly aimed at the student audience on Friday. If you do not wish your child to listen or your child does not wish to attend please email me on [rees.merryn.j@edumail.vic.gov.au](mailto:rees.merryn.j@edumail.vic.gov.au) this is an opportunity for us to listen to teachings of professionals without having the cost of transportation and the loss of time with travel. It is not compulsory at all. Any question can be directed to me on the above email address.

**Books that changed me.....**

**Great books help you understand, and they help you feel understood.** – John Green

Book Group is a group of keen readers that meet each Wednesday to read and discuss books. This year we are presenting a series of articles for the newsletter from people in the school community about their favourite books. This week we feature Mr Bleicher.

**My favourite books – Mr Bleicher**

**The Hitch-Hikers Guide To The Galaxy:**

A friend of mine gave me this book for my 18<sup>th</sup> birthday and I really enjoyed the humour and descriptions of people, places and events. The book was reasonably short and quickly devoured. I was pleased that there were three others in the series. The idea of “Knowing where your towel is” has always stuck with me!

**The Lord of the Rings:**

The three books in the series are an epic and it was one of those challenges that I took up in my early 20’s to get this read. I was rewarded with many memorable characters from this fantasy world of Tolkien’s and through discussing it and watching the films with my kids, remains one of my favourites.

**The Great Gatsby:**

This novel was written so long ago, 1922, and yet the characters and storyline are so vivid and interesting that I’ve re-read it a couple of times since studying it at school. The 1920’s were also an interesting time that I didn’t know much about previously.

## Reading Helpers

Our F-4 classes are most appreciative of parents/carers who give up their time to come to school to hear our students read. The students love having someone different to read to.

If for some reason you are unable to visit at your rostered time, could we please ask you to contact us directly, or the school office who will pass the message onto F-4 staff.

Many thanks

## 2018 NCD Triathlon

On Thursday last week Boort hosted the 6<sup>th</sup> Annual North Central District Triathlon. This year there were over 200 competitors from Year 7 to Year 12 and from every school in the cluster, continuing the popularity and growth of this event. Boort District School had the largest representation with 15 solo and 33 team competitors. This was a fantastic result from the student body that conducted themselves in a mature and competitive manner.

The participation rate was overwhelming and the most pleasing aspect of the day.

Congratulations to the following age group champions for solo and team events:

Intermediate Males - Cobi Maxted 1<sup>st</sup> Place Time: 47:47:00

Senior Females - Meg Last 1<sup>st</sup> Place Time: 45:58:00

Intermediate Males Team - Zac Poxon, Elias Lanyon & Bella Grogan - 1<sup>st</sup> Place Time: 53:32:00

Thank you very much to members of the school and wider community for your continued support in what is such a large event to organise. The volunteerism within the community to help organise and run such events is the reason why they are so successful.

Luke Newell & Brooke Chamberlain

Year 7-12 Sport Co-ordinators

## SANDHURST & GOLDFIELDS SWIMMING CHAMPIONSHIPS

On Friday, 13 students from Years 4 - 6 travelled to Bendigo to compete in regional swimming championships. Students swam excellently on the day and represented the school very well with many students finishing very close in their races. A special mention must also be given to our boys and girls medley relay teams who finished third in their races.

Thank you to Brooke Chamberlain for coming and assisting on the day and to all parents who came and supported, took photos and ensured students made it to their events on time.

### **Chaplain's Chat**

Have you ever had an epiphany? One of those “a-ha” moments where something just clicks for you? Maybe it’s something you’ve been struggling with for a long time, or maybe it was a piece of advice you learned from a friend. Whatever the source of our insight, it’s these moments that bring us to a deeper understanding of our world. The better understanding we have of life, the more we live in the truth.

Below are some of the most powerful lessons in my life.

1. Often those who aren't the easiest to love are the ones who need it the most.
2. Seeing children play can make even the bluest day brighter.
3. Money is not the root of all evil, fear is.
4. The secret to happiness is the acceptance of yourself.
5. Happiness is not based on external status, it is an internal state.
6. Every man has a right to choose his own destiny.

7. Life is the largest stage.
8. Music is one of the most supreme expressions of life. It is art in its most transitory form. It is gone within an instant, and therefore, extremely precious.
9. Remember what your mother taught you, it came from the most sacred place of love that exists.
10. Never let an argument last, never hold a grudge; it will make your heart heavy.
11. The source of most of your frustrations and anxiety are the result of living in the future, or the past.
12. Spend time alone with yourself every day.
13. Always go with yourself, never against yourself.
14. You have to be your own best friend.
15. If you don't like what someone else says to you, you can walk away. But if you don't like what you say to yourself, you can't walk away. Therefore, if you're going to be with yourself all the time, you might as well be nice to yourself.
16. The truth shall indeed set you free.
17. Lies exist if we believe in them.
18. Even the most fundamental beliefs about reality are not true in themselves. Our thinking makes them true in our experience.
19. Your thoughts create reality.
20. The biggest lie is the lie of your imperfection.
21. Being kind is more important than being right.
22. Your heart is your best compass.
23. Cherish those that you love.
24. Your beliefs are a filter for your reality.
25. Love is the supreme expression of life; it is the essence and ground of all creation.

### PICTURE PRODUCTS!

Boort Pre School are running this keepsake Fundraiser. How often have you wished there was some permanent way you could keep the drawings and paintings your children do at Preschool? Their artworks are brought home and proudly displayed for everyone to admire. But most times they just disappear. Now it is possible to have those drawings preserved as a family keepsake, both decorative and useful. If you wish to view the products made available under this project, you can log onto the website:

[www.pictureproducts.com](http://www.pictureproducts.com)

To join in this exciting and creative activity please contact Kelly for an order form, then return it with cash or a cheque made out to Boort Pre School or Contact Kelly Henderson (0427 280 583 or [khenderson7311@gmail.com](mailto:khenderson7311@gmail.com))

### Velocity After School 2018

#### Welcome to a new year of Velocity After School

Velocity is an After-school program for children in **Foundation to Year 6** run by the combined churches of Boort. We run a weekly program that involves a short bible lesson followed by a planned activity. Activities range from games, craft, Boort Hostel visits, and baking, just to name a few. **All children are welcome** whether they attend church or not.

Starting 14th March on **Wednesdays** during school term, from **3:30-5:45pm**

**Boort Baptist Church Hall**, 23 Armstrong Street Boort. Your child will be collected from school or you may deliver them to the hall @ 3:45pm

For further information contact Ruth Field (5455 2183/0425 743 512) or Suzi Kirkham (0407 282 513). Emails can be sent to [velocityboort@gmail.com](mailto:velocityboort@gmail.com).

**Please complete** the following slip to express your interest in Velocity this year and we will be in touch. This year we will be using an online consent form system -

**CareMonkey** - to reduce the amount of paperwork required. Once we receive your expression of interest you will receive an email from CareMonkey on behalf of Boort Baptist Church. By following the prompts you will be able to fill out the appropriate forms for Velocity. Please be assured that all information is secure and private. The Velocity leaders are the only people who will be able to view your child's information.

#### Velocity Expression of Interest

You can return this form to the box at the school office or to the email above.

BULOKE AND LODDON SHIRES

# Stepping Stones

Sunday 18th March  
Inglewood  
10am to 8:00pm

Young women in Buloke and Loddon Shires are invited to join us for a challenging and rewarding one day workshop.

Learn more about yourself, finding your place and voice in the world and expand your friendships and networks!

## Stepping Stones Program

The morning session will be challenging and fun. Come prepared to learn a lot about yourself and others in our outdoor adventures abseiling, self defense and team building.

The afternoon session will be based on developing skills and knowledge around: self-development, having an impact and being an influence in our world, making decisions, affecting others in a positive way, challenges being a woman, finding our place in the world and using our voice.

Over dinner be inspired by stories from other like minded young women.

This workshop is free for girls between the ages of 15-22 who are residents of the Loddon and Buloke Shires. All food and materials are covered as part of the program and transport can be arranged.
