Principal's Report

Welcome back everyone to Term 4 and I hope you and your families enjoyed a wonderful break over the school holiday period. It has been a busy start to the term as there have been a wide range of learning opportunities for our students from Foundation to Year 12. Please read our School Term Calendar for a list of important dates and events during Term 4.

Whole School Assembly

On Tuesday 22nd October our Year 12 students will celebrate their final day of classes at our school. We will acknowledge the importance of this day by conducting a whole school assembly, beginning at 3.00pm and I encourage all families and carers to attend.

Year 12 Breakfast

A huge thank you to our Parents' Club for organising our Year 12 Family Breakfast yesterday. It was fantastic to see a large number of families and carers support this special occasion with our students and our staff.

Pre School Transition

I enjoyed meeting our new 2025 Foundation students and their families on Wednesday as part of our Pre school transition program. There will be a series of transition sessions and activities throughout this term to further support students and families. If you have any questions about our transition program, please contact Courtney McOrist or Hayden Rowley.

Sun Smart School

A friendly reminder to families that we are a SunSmart school and staff and students are required to wear a broad brim hat when outside in the school yard. I am also very pleased with the large number of students in full school uniform. A uniform dress code reinforces in students a pride in their own appearance, instils recognition of themselves as an integral part of the school community, and assists in developing pride in representing our school.

Pupil Free Day

Monday 4th November is a Pupil Free Day. Students will therefore not be required to attend school on this day. This is a Professional Practice Day for our staff.

Kind regards,
Todd Woodfine

SANDHURST ATHLETICS

During the last week of Term 3, 8 students from Years 4-6 travelled down to Bendigo to compete in the Sandhurst Athletics Carnival. Each student had the opportunity to compete in 2 events and a relay that they had qualified in through their achievements at our House Athletics Carnival early in the term. With a cheer squad of parents in attendance, all the students performed amazingly well, showing great skill and determination. This is a great experience for students and an opportunity to compete on the synthetic track and professional facilities.

Well done to all those students who competed and a special mention to Zoey Gooding who has qualified through to the Loddon Mallee Regional Finals next term in the Shot put.

Bus Coordinator Information

Seatbelts- We ask that families remind all students using the bus services to and from school, and on all excursions, that you must at all times **wear your seatbelt** on the bus. Students have been continually reminded to do so. There is to be no walking around on the buses while they are moving. All families have signed a Conditions of Travel document when they applied to use the bus system. This states very clearly that if students do not follow driver instructions that they will not be permitted to use the bus. We ask for each family's cooperation in this matter.

Bus Zone- more and more families are using the bus zone to drop students off in the morning while buses are coming in and going out. This is **NOT a good practice** and can lead to dangerous situations. Using the Men's Shed carpark and having students walk across the road through the bus zone is also **NOT good practice**. There have been several situations that could have easily resulted in accidents over the last few weeks from families doing this. We ask that families use the designated drop off and pick up areas for their children at all times.

Scholastic Book Club

Issue 7 of Scholastic Book Club is now available. Orders for Issue 7 of Scholastic Book Club need to be completed by Wednesday 23rd October. Please note that all orders need to be completed and paid for online. Payment cannot be accepted at Boort District School.

STATE HOCKEY 7S

Last term our Primary Girls Hockey 7s team travelled down to Melbourne to compete in the State Championships. It was a fantastic day for hockey, with clear skies and a gentle breeze, and our students were exceptional in their teamwork, encouragement and competitiveness over the day. They started with a narrow loss to Bentleigh East PS which was extremely close to being a draw if not for a couple of goal line saves off shots from Alisha and Hayley. In game two, we came up against Yarra PS who ended up the overall winners. We fought hard all game with our defence under pressure to come away with a 0-5 loss. Our half backs of Scarlett, Millie and Hannah worked hard all game, stopping many attacks, whilst our back line of Carrie and Bridget stopped many shots on goals. In our final game we got off to a strong start with Victoria levelling the score with a great goal whilst Pearl and Becky worked hard to earn a couple of short corners. With Hamilton Alexandra College needing a win to push for the final they pushed hard in the second half with our final game ending with a 1-6 loss.

The girls were fantastic all day, following every direction from Coach Lily and representing the school amazingly well. A huge thank you to all the parents who came down and supported on the day; we certainly had the most passionate supporters for the day.

Parents' Club show bags at the Show.

A huge thank you to Sherryn O'Flaherty and her family for setting up the show bag stall and for organising the rosters and having the hard job of ordering enough bags to sell on show day. Thank you to all the wonderful parents and students that help fill a shift on the day, without all your help we wouldn't be able to do this fundraiser. Thank you also to Mr Sims and his students for the awesome show bag sign, it's amazing. The Boort show was a great day and I am sure everyone enjoyed themselves.

Thank you, Kelly Henderson, Parents' Club President.

Not all superheroes wear capes, some run half marathons, dress like a principal and barrack for Collingwood...not that barracking for teams like Collingwood should be encouraged!

We are very proud to share this photo of our school principal, Mr. Woodfine who only last week participated in the Melbourne Marathon, running in the half marathon event. This is a great example of the saying, "If you can't see it, you can't be it." We are not sure of his time, you might need to ask him when you congratulate him, but Mr. Woodfine is certainly setting an amazing example to all of us that you're never too old to get out there and get involved in something you love.

Well done, Mr. Woodfine, you're leading from the front and doing us all proud.

SRC News

On the last day of Term 3 we had Footy Colours Day, which raises money to support the Fight Cancer Foundation. The school looked very colourful for the day, and we raised \$118.20 for FCF.

Today we celebrated our achievements for the year with our departing Year 12 SRC Leaders - Lily Caine, Mia Braun and Alex Cockerell. That doesn't mean that we are done for the year, but we wanted to thank them for their efforts and wish them well in their exams.
